Submission of Ads

When submitting ads, please note the following guidelines:

- Alt-text and click-text are not accepted or customizable (company name is displayed by default).
- Only one graphic URL will be accepted with each paid ad position. URL must be live at the time of submission.
- Manufacturer may change ad graphic as desired as long as the manufacturer hosts their own ad maintaining the same hyperlink.
- Scrapbooking.com Magazine encourages its advertising partners to host ads on their own servers to allow for greater flexibility and response time. In this manner, each partner maintains complete control of ad graphics and the frequency of media changes.
- Suggested graphic links:
 - o Ad: <http://www.yoursite.com/images/yourad.gif>
 - o URL (Website Link): <http://www.yoursite.com/>
- Only GIF, Animated GIF and JPEG file formats are accepted.
